To whom it may concern,

Trevor Jull and his team were contracted by my wife and I to do the alterations and extensions to our property in Success Court Omaha.

The process from discussion of the plans to job start was seamless and made easy by Trevor.

We added on a garage, ensuite, main bedroom, new kitchen, revamped existing bathroom and relocated the laundry plus opened up the rear of the house with bi fold doors and timbered the floor.

Trevor proved to be an excellent choice for the job. He was always punctual and delivered as promised, very organised and thorough in his work. He is a real perfectionist.

He organised the other contractors as and when required and oversaw their work.

The job ran to schedule and we are extremely pleased with the end result.

I would highly recommend Trevor Jull to anyone who wants a competent and trustworthy builder who knows his stuff.

Yours sincerely
